

Save our Wildlife! Protect our Leisure Centre!

Southwark Council want to destroy the Seven Islands Leisure Centre and build a new one over the Surrey Quays Wildlife Area next to the Tesco car park. Instead we want a state-of-the-art sports facility built on the existing Seven Islands site. It's our community, our leisure centre, and our wildlife, and we deserve to be involved in a meaningful consultation over its future.

Join the Canada Water West Residents Action Group

Public Meeting: Monday 12th October 7pm at the Mayflower TRA Hall, Neptune St

Please come along on Monday 12th October to:

- Meet the team and get updated on our progress
- Find out how you can help the campaign
- Meet your neighbours with some free food and drink

Everyone is welcome! We need as many residents as possible to join us this Monday.
